

Carpet company signs on for season at Citi Field

The New York Mets announced that Consolidated Carpet, a flooring and carpet contractor, has signed on with the Mets as a sponsor for the 2009 historic first season at Citi Field, the new Mets ballpark.

Earlier this month, the Welcome Home Dinner for the New York Mets was sponsored by Consolidated Carpet, following the first home opener at Citi Field, and benefited The Leukemia & Lymphoma Society in raising funds and awareness for a cure.

The annual event, which officially welcomes the team back to New York, was attended by the entire organization, including players, coaches and front office staff.

This season's dinner raised over \$700,000 for the charity seeking to cure Leukemia, lymphoma, Hodgkin's disease and myeloma and to improve the quality of life for patients and their families.
